

AUSTRIANS FOR AUSTRIANS (A4A)

Dear Friends of Austria!

We all are experiencing now difficulties and hardship. But also the wish for being there for each other. We are launching this platform so that we can reach out, connect people who want to volunteer with those who would appreciate some support.

We set up 3 categories to address the most urgent needs, each headed by a spokesperson who will then coordinate incoming requests with volunteer offers. You can also contact Eva Kammel with any question.

Shopping/food/essential errands	Communication	Tech support
to place a shopping list (once a week), pick up from pharmacy, post office, etc Need some help with cooking?	talk, communicate, offer support with kids learning, answer FAQ, etc.	"helpdesk" via phone, email; support with computer/phone problems, online shopping, and other tech related problems
Need volunteers in all parts of WA, MT, ID as we want to reach out to the whole region. All volunteers adhere strictly to a minimum of 6ft distance. The modalities for paying, delivering will be worked out individually between volunteer and receiving person.	Phone calls, emails, virtual contact only, so it does not matter where you are

Eva Donahoo (ewdcpa@comcast.net) and Rosie Mulholland (mulho@comcast.net) will call many of you in the next few days, we will post on Meet-up, LinkedIn (A-BIT), Austria Club and HC websites. If you have additional contacts, please help spread the word! When leaving a voice mail please mention right away that you are for A4A to distinguish you from unwanted robocalls.

If you live near the WA/OR border, you can also contact Egbert Kunrath (egbert.kunrath@gmail.com) who will then connect you with the Oregon "Austrian for Austrians" platform.

Please get in contact with us if you can volunteer for any of these tasks or if you would benefit from any of these offers. Looking forward hearing from you!!

Wir halten zusammen! Bleib gesund und guten Mutes
Herzlichst,

Eva Kammel
