Food: Vaccinated volunteers (wearing masks and gloves) will provide and distribute food (grilled sausages, vegetarian options, salads, bread, and desserts) and water. Ice chests will be provided for other (nonalcoholic) drinks you want to bring along.

Covid precautions: We do want to keep everyone as safe as possible. We encourage all attendees to wear a mouth/nose covering (while not eating or drinking) and to be aware of the distance between each other. Some of our guests and children under 12 were not able yet to get vaccinated and we kindly request your cooperation.

Cost sharing: We kindly ask for a voluntary contribution to offset the costs for the reservation and food items. Suggestion: \$10 pp or \$20 per family. Thank you!
